4	Wed	L	Ladies AGM, Prizegiving and Dinner
28	Sat	M	Annual Prizegiving

## Apps & Websites

Prior to playing all players are required to book their round(s) on the BRS system and where applicable sign into the competition using HowDidIDo. Details of these web sites along with Scottish Golf application are below.

**BRS** – Search the App Store for ‘BRS Golf’ or use the [BRS Website](#)

This is used by the club to allow members to book tee times. All rounds should be booked in advance so that all members can see how busy the course is.

**How Did I Do** – Search the App Store for ‘How Did I Do’

All members are encouraged to register for the HowdidIdo Members App. This allows easy communication between the club and the members and is used to administer all competitions. It has a charge of £2.99 per year.

**Scottish Golf** – Search the App Store for ‘My Scottish Golf’

The Scottish Golf App is required to capture ‘General Play’ scores at clubs where you are not a member. This App also allows a player to see their handicap record and it highlights which scores are counting towards your handicap index.

## **Handicaps**

All members of Bridge of Allan Golf Club are eligible to obtain and maintain a handicap. A handicap is a measurement of your current golfing ability and allows competition between players of all abilities and age ranges. Handicaps are used in most club competitions to ensure that all players can compete equally.

All the handicaps in Scotland are administered by Scottish Golf and are calculated as all other handicaps in the world, using the World Handicap System (WHS). This system has only been in operation for a little more than a year and it has taken some getting used to, especially for those who were used to the old system as it is significantly different. Full details of the World Handicap System can be found at <https://www.whs.com/>

To obtain a handicap you need to obtain a CDH (Central Database of Handicaps) number - This can be issued by the club. Any player wishing to obtain a handicap should request a CDH number from Match Secretary at [matchsecretary@bofagc.com](mailto:matchsecretary@bofagc.com) You then need to submit 54 holes worth of scores. These can be recorded in any combination of 9 or 18 hole rounds and can be submitted by entering a score on paper and posting it in the box inside the back door of the clubhouse, or electronically using either the touch screen in the clubhouse or by using the Scottish Golf or How Did I Do Apps.

## **Gents Competitions**

Gents medal and stableford competitions will be held through the season as listed. All players should ensure they are signed in to the competition, using HowDidiDo, prior to commencing play. Any player signing in after commencing play will be disqualified. In general entry fees for competitions will displayed when signing in, monies should be paid using HowDidiDo as no cash is being accepted for competition payments. If for any reason a player is disqualified from a competition their entry fees will not be returned.

Details of the various ongoing competitions such as order of merits are available in HowDidiDo documents section under Competition and Handicapping. This section also details the various knockout competitions and how they can be entered.

## **Ladies Competitions**

Ladies and Senior Ladies competitions will be played on most Mondays and Thursdays with specific tee times being reserved for these competitions. Out with these times the tee can be booked for general play. Players playing in the competition out with the reserved tee times should be given priority on the course.

## **Juniors**

Junior competitions will be held on Monday afternoons during school holidays and on Sunday afternoons during term times.

Juniors can access the course at any time outwith reserved tee times and before 5:30 pm Monday to Friday unless they are playing with an adult member.

## **General Etiquette**

All players should familiarise themselves with Etiquette Of Golf as noted in the Rules Of Golf.

Players should avoid slow play at all times and allow others to play through if they cannot keep their position on the course.

Players playing club competitions should be given priority on the course

Fairway divots should be replaced, divots on the tees should be filled. Pitch marks on greens should be repaired, even those made by other players.

The appropriate tees should be used at all times with the "White" tees reserved for club competitions.

All players should abide by the "Local Rules" as listed on the score card and with any temporary rules that have been posted in the clubhouse.
